which is going the newspaper rounds,
is unknown: "I am not much of a
mathematician," said the cigarette,
"but I can add to a man's nervous
troubles. I can subtract from his phys-
ical energy. I can multiply his aches
and pains. I can divide his mental
powers. I take interest from his
work, and discount his chances for suc-
cess."

Elks Elect Officers

At a meeting of the B. P. O. E.
Lodge, Wednesday night, the following
officers were elected for the coming
year:
E. M. Dickson—Exalted Ruler.
F. L. Lapsley—Esteemed Leading
Knight.
C. A. McMillan—Esteemed Loyal
Knight.
Duncan Bell—Esteemed Lecturing
Knight.
R. K. McCarty—Treasurer.
E. H. Owings—Secretary.
A class of about ten will be taken
into the lodge at its next meeting.

PLANS ARRIVED.—The architect, H.
L. Rowe, has sent the plans and speci-
fications of the new Elk building. They
may be seen at Lowry & Talbot's or
John M. Brennan's law office. The con-
tractors' bids must be in by April 15th
and work will be commenced at once
and the building completed as soon as
possible. This will be a handsome im-
provement and the Paris Elks will have
fine quarters.

FOR EASTER.—Roses, Carnations,
Lilies, Hyacinths, etc., for Easter.
It W. M. GOODLOE.

LARGE LINE.—Mrs. L. B. Conway &
Co., have a large stock of children's
hats that will be on display to-morrow
at the Easter millinery display.

SEE THEIR BUGGIES.—J. S. Wilson

their customers and holding their trade.
The reason they go back is easily ex-
plained—they sell the best vehicles that
can be sold for the money. Go and
look at their buggies—a big lot just in.

JUDGE CANTRILL INTERVIEWED.—The
Cincinnati Enquirer Sunday printed the
following dispatch:

CHATTANOOGA, TENN., March 28.—
Judge J. E. Cantrill is spending several
days in the city en route home from
Florida. Asked about the Goebel mur-
der cases he said:
"There is no doubt but that the Re-
publican Court intends to free these men
if it can, guilty or not. But as for my-
self I made up mind in the start that I
would try these cases the same as any
other, and when the men came up be-
fore me they would get a free and im-
partial trial, let the result be what it
may."

Both Howard and Powers have been
tried twice and found guilty. So this
will make three trials for them. An-
other man gave himself up not long
ago. He will also be tried this spring.

Judge Cantrill spoke at length con-
cerning the fleeing of Governor Taylor
and said: "There is no doubt that Tay-
lor and his gang made up their minds
while the contest before the Legislature
was going on that they would kill Go-
ebel if necessary to their retention in
office. Goebel's life depended on the
decision of the legislators. They had
reorganized the militia, discharging the
Democrats and enlisting in their places
Republicans of their own stamp and
offering the troops with their own
friends. Their plans would have carried
out, too, if Goebel had died as soon as
he was shot and before the Legislature
had decided the contest, for Goebel was
the contestant, and had he died pending
the investigation the contest would have
lapsed for want of anyone to prosecute
it."

FEUD.—Factions of Harvard-Mann
feud meet and one man is killed and
four wounded, while on their way to
church. Men dodged behind trees to
evade the bullets, over thirty shots being
fired. Knives were also used.

CAN'T BE BEAT.—For family use, a
case of Geo. Wiedemann's Bock Beer
it can't be beat. It is recommended for
home use. Home phone 217.
